Join the EFT club at the K-State Foundation and make a monthly gift without opening your checkbook. It's easy, it's simple and you're always in control. Just fill out this form, and return it to the KSU Foundation. Your specified regular contributions will be transferred from your checking or savings account. The first 500 EFT Club members will receive recognition that will display your K-State pride.

About the 10th of the each month, your EFT Club gift will be electronically transferred from your bank account to the KSU Foundation to benefit the program you select. You receive a record of your gift on your bank statement each month, and payment can be easily changed or suspended. You also will receive a year-end tax receipt from the KSU Foundation showing your total yearly contributions. EFT Club members save time, their contributions are made automatically, and their gifts are never lost or mishandled in the mail.

EFT Club members save the KSU Foundation significant postage and stationery, increasing the value of each contribution. EFT Club gifts can be unrestricted or designated to the College or project of your choice. This method is the easiest way to invest in K-State. Interested?
